

DAVID SANTANA

VICE PRESIDENT OF AI TECHNOLOGIES

@ dsantana@sunsetlearning.com

📍 Raleigh, NC

PROFILE

David is an AI & Data Multi-Cloud architect and executive engineer, certified trainer, course developer, and cloud evangelist. David's vision is to drive digital innovation to modernize application frameworks and services. David's passion for software engineering and data science has made him the lead developer, and lead trainer in various cross-industry projects.

Coupled with his vast knowledge in architecting microservices he can provide your organization with the technical skills to succeed in today's cloud-centric market. With over 20+ years of business and client service, training, developing, implementing, consulting, and leadership experience.

David has been providing dedicated services to Microsoft, AWS, and GCP business partners such as Deloitte, Accenture, Humana, and ABB, including local and public government agencies: CJIS, Dept of State, Army, and Marines.
