ACSPO Advanced Certified Scrum Product Owner (Scrum Alliance)

COURSE OVERVIEW

You're a Certified Scrum Product Owner (CSPO) who's focused on maximizing business value and product backlog optimization to do the best possible job to satisfy key stakeholders. The next step in your Agile journey is to achieve your Advanced Certified Scrum Product Owner (A-CSPO) certification in this interactive two-day class.

WHO WILL BENEFIT FROM THIS COURSE?

A-CSPO is ideal for anyone interested in advanced concepts and techniques for product management as well as Product Owners, product managers, project managers, business analysts, executives, Scrum Masters, and Agile coaches.

COURSE OBJECTIVES

This course builds on foundational knowledge and implementation skills that go beyond the basics. Through our A-CSPO training, you'll learn to:

- Manage multiple business initiatives from competing stakeholders
- Clearly order and express product backlog items
- Define a clear product vision that ensures your product remains focused on the features your customers and end-users will actually use
- Communicate effectively with various stakeholder groups to achieve alignment
- Identify crucial opportunities and avoid wasting time
- Define and validate business value
- Increase your credibility as a product expert and become recognized as a person who delivers real business results
