AWS Cloud Operations Jam

COURSE OVERVIEW

The Cloud Operations on AWS Jam is a gamified event, with teams competing to score points by completing a series of challenges according to established best practices based on concepts covered in the course. You get to experience a wide range of AWS services in a series of real-world scenarios that represent common operational and troubleshooting tasks.

The end result is developing, enhancing, and validating your skillsets in the AWS Cloud through real-world problem-solving, exploring new services, and features, and understanding how they interoperate.
